Dear <<Name>>,

The University of Central Florida wants to make you aware of an intrusion into the university's computer network that resulted in the unauthorized access to your personal information. While we have no evidence to suggest that any of your information has been used inappropriately, we want to provide you with guidance on how you can protect yourself.

On January 15, 2016, UCF discovered the unauthorized access to a database containing the following personal information related to you: your first and last name, Social Security number and UCF-issued employee identification number. The database did not include your credit card information or other financial information.

Upon learning of the incident, UCF immediately launched an internal investigation and reported the incident to law enforcement. We have also engaged a leading incident response and digital forensics firm to assist in our internal investigation. In addition, we have already begun taking several actions to help prevent this type of incident from occurring in the future. These actions include enhancing user account and password security, expanding the campus-wide information security awareness and training program, and strengthening data security processes and protocols on our network.

We encourage you to take advantage of the complimentary one-year credit monitoring and identity protection services we are offering you through Experian's® ProtectMyID® Alert. This service helps detect possible misuse of your personal information and provides you with identity protection services focused on immediate identification and resolution of identity theft. ProtectMyID Alert is completely free to you, and enrolling in this program will not hurt your credit score. For more information on identity theft prevention and ProtectMyID Alert, including instructions on how to activate your complimentary one-year membership, please see the additional information provided with this letter.

We take the security of your personal information very seriously, and we want to ensure you can get the answers to any questions you have. You can call 877-752-5527 between 9 a.m. and 9 p.m. EST Monday through Friday, and operators will be able to assist you in English or Spanish. We also have established a website to answer questions: UCF.edu/datasecurity.

We value the trust you place in UCF to protect the privacy and security of your personal information, and we regret any inconvenience or concern that this incident might cause you.

Sincerely,

A handwritten signature in black ink that reads 'Joel L. Hartman'.

Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your credit card account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps to you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at: Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting <http://www.annualcreditreport.com>, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries, including obtaining information about fraud alerts and placing a security freeze on your credit files, is as follows:

Equifax
1-800-349-9960
www.equifax.com
P.O. Box 105788
Atlanta, GA 30348

Experian
1-888-397-3742
www.experian.com
P.O. Box 9554
Allen, TX 75013

TransUnion
1-888-909-8872
www.transunion.com
P.O. Box 2000
Chester, PA 19022

Fraud Alerts: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at <http://www.annualcreditreport.com>.

Credit and Security Freezes: You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally \$5 to \$20 per action at each credit reporting company. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013

TransUnion Security Freeze
Fraud Victim Assistance
Department
P.O. Box 6790
Fullerton, CA 92834

You can obtain more information about the fraud alerts and credit freezes by contacting the FTC or one of the

national credit reporting agencies listed above.
