Q. Omar sometimes watches violent Jihad videos on a computer in front of my son, Zakariya and I would remove my son because I didn't want him watching those videos. I would tell Omar to turn off the computer but he refused.

N5-

N5. Omar purchased a rifle about 4 days ago and placed it in the trunk of the car and that is where I saw it. When I ask him "what is that" he became upset, covered and told me not to say anything to anybody. He then stated that it was for work.

Over the past two years, when Omar would watch a lot of Jihad videos on the computer, talked about Jihad and violence, talked about Muslims not being to retaliate against American I often worry that he was going to commit an act of violence or terrorism. N.S.

N.S.

Omar looked at ISIS recruit ment videos on YouTube and "live link". He looked at videos of beheadings.

 Club got attacked." N.Y.

 he was doing. When leaving

 people more upset an
 attack on Downtown
 Disney or a Club." N.Y.

The last two years Omar talked to me about doing Jihad. He said if he did Jihad everybody would know who he is. Omar chanted Arabic Jihad words and listen to Isis recruitment training music when he

(Exercise) worked out. I knew Omar was preparing for Jihad when he bought the rifle, was going to the range to shoot, was spending a lot of money and bought the ammunition. I saw these things as a green light for Omar to ~~do an act of violence~~ do

an act of violence. I suspected it was going to be something having to do with a ~~club~~ Club, but I did not know for sure. I suspected it was a club because of the things he said to me.

I knew on Saturday, when Omar left the house at about 5pm that this was the time that he was going to do something bad. I knew this because of the way he left and took the gun and backpack with ammunition to see Nemo. I knew later, when I could not get a hold of him that my fears had come true and he did what ~~he~~ he ~~he~~ said he was going to do. I was in denial and I could not believe that the father of my child was going to hurt other people. When I got a text message from Omar at 4am I knew that he did what he said he was going to do.

I gave the Statement freely and willingly. Agent Enriquez did not make any threats or promises to me in order for me to give this statements. I'm sorry for not truthful in the in start about what ~~amir~~ was planning. I ~~was~~ didn't want to believe it, he's my sons father, I didn't want my in laws to hate me or get in trouble. He ~~was~~ was the provider and relied on him for everything. I wish I could have done the right thing but my fear and reality was holding me back.
